Molenweg en Plan Gieterij) in de Victorwijk

Geen grootschalige huisvesting voor arbeidsmigranten in de bebouwde kom zoals wijk Victor (Noordwijkerhout). Onze wijk is een gezinswijk en voorzien grote gevolgen op allerlei vlakken bij deze bouwplannen.

Aan de gemeente Noordwijk,

Wij, bewoners van de wijk Victor, spreken ons krachtig uit tegen de komst van grootschalige huisvesting voor arbeidsmigranten in onze woonwijk. Wij maken ernstig bezwaar tegen het voornemen om grote woonvoorzieningen voor mogelijk 400+ arbeidsmigranten te realiseren binnen de bebouwde kom van Noordwijkerhout. Wij zijn van mening dat een dergelijke ontwikkeling de leefbaarheid, veiligheid en infrastructuur van onze wijk ernstig onder druk zet.

Onze bezwaren:

- Verlies van sociale samenhang;
- Wijk is overvol;
- Toename van verkeersdrukte, parkeerproblemen en onveilige situaties op straat;
- Verhoogd risico op overlast, verminderde sociale controle;
- Fundamentele aantasting van het karakter van onze wijk als rustige, gezinsgerichte woonomgeving;
- Zowel Molenweg als Maandagsewetering liggen volledig in de bebouwde kom en zijn geen buitengebied!

Ons dringende verzoek:

Wij verzoeken het gemeentebestuur met klem om:

- Af te zien van deze grootschalige bouwplannen in en rond de Victorwijk;
- Geen grootschalige (tijdelijke of permanente) huisvesting voor arbeidsmigranten toe te staan binnen de bebouwde kom van Noordwijkerhout en alternatieven te zoeken in buiten gebieden of bij bedrijven zelf;
- Onze wijk Victor en vergelijkbare woonwijken te beschermen als gezinsvriendelijke leefomgeving.

Wij ondertekenen deze verklaring uit betrokkenheid bij onze leefomgeving, en uit zorg voor de toekomst van onze wijk.
