

Eindafrekening 2021.

gemeente Medemblik

Waar anderen afval zien, zien wij waardevolle grondstoffen. Door afval goed te scheiden, blijven waardevolle grondstoffen behouden voor nieuwe producten. Daarnaast is het stimuleren van afvalscheiding een belangrijke factor om de afvalbeheerkosten beheersbaar te houden.

bijlage(n) 1

Geachte relatie,

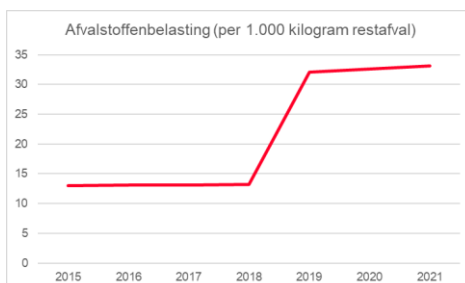

Hierbij sturen wij u de DVO-eindafrekening 2021 toe. De eindafrekening is het verschil tussen de werkelijke kosten en de bedragen die via voorschotfacturen in rekening zijn gebracht. De verrekening vindt onder andere plaats op:

- werkelijke aantallen woonhuisaansluitingen (wha);
- werkelijke kosten en gewichten voor de stromen;
- eventuele maatregelen die in de loop van het jaar zijn genomen.

In de bijlage van deze brief vindt u de specificatie van de eindafrekening conform DVO deel III. Hiervoor ontvangt u een factuur. De afvalstoffenbelasting wordt separaat verrekend. Dit vindt plaats nadat de restitutie van de afvalenergiecentrale en voorscheidingsinstallatie definitief is vastgesteld.

Rijksbelasting

De belasting op het verbranden van restafval is in 5 jaar tijd fors gestegen en is in feite een prijsprikkel om uw gemeente te bewegen richting de zogenoemde VANG-doelstelling. VANG staat voor 'Van afval naar grondstof' en is een programma van het rijk om gemeenten te stimuleren om in 2050 volledig circulair te zijn met de tussenstap van 30 kilo restafval per persoon per jaar in 2025.

Sturen op duurzaamheid en kosten

Gemeenten kunnen de kosten beheersbaar houden door te sturen op minder restafval. In onze jaarrapportage geven wij adviezen over het (nog verder) omlaag brengen van het restafval en zoveel mogelijk grondstoffen her te gebruiken.

Wij gaan ervan uit u hiermee voldoende te hebben geïnformeerd. Voor vragen over deze brief of de bijlage(n), kunt u contact opnemen met uw gemeenteadviseur via gemeenteadvies@hvcgroep.nl.

Met vriendelijke groet,
HVC

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, N.V. HVC (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from N.V. HVC

We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..
