Op welke manier kunnen jongeren het beste betrokken worden bij deze onderwerpen?

Be yourself, everyone else is already taken.

No one can make you feel inferior without your consent.

The greatest thing you will ever learn is just to love and be loved in return.

Do, or do not. There is no "try".

Be the change that you wish to see in the world.

I have seen the best of you, and the worst of you, and I choose both.

What defines you isn't how many times you crash but the number of times you get back.

Life isn't about getting and having, it's about giving and being.

You miss 100% of the shots you don't take.
