HANSEATIC FOCUS AREAS FROM THE 44th HANSEATIC DAY

GOAL 6

Create cities that are: compact, climate-friendly, and energy efficient.

GOAL 9

Plan and develop an educational model that will be an incubator for civic activation and more involved citizens.

GOAL 2

Change the patterns – way of thinking and travel behaviour to improve our health and environment.

GOAL 4

Hanseatic cities as a platform for exchanging of views, ideas, social, cultural, and economic solutions.

GOAL 7

To create positive narration about balanced migration as an opportunity to develop our cities now and in the future.

GOAL 10

Inspire among citizens conscious decision making and taking responsibility for one's choices.
