Christmas Greetings

Dear Mayor and members of the City Council of Waalre

I would like to send you my warmest Christmas Greetings on behalf of Ishøj City Council.

2017 has been yet another eventful year in Ishøj. We had the general municipal elections in November. As always, municipal elections are a celebration of local democracy. I am pleased to continue as mayor and to present the new City Council of Ishøj for the next four years. Please find a list of information enclosed.

Other highlights of this year include our successful Twin Town Meeting in May under the theme of diversity. We are also grateful for all other exchange visits between our towns, schools and associations throughout the year

We look forward to seeing you all again in 2018 and wish you a:

With best regards

Ole Bjørstorp
Mayor
