

The site plan shows two hockey pitches, 'Hockey veld 1 Waterkunstgras' and 'Hockey veld 3 Zandkunstgras', separated by a central path. The pitches are marked with yellow diagonal lines. A red outline indicates the location for a new ground wall and sound barrier. A legend in the top right corner explains the symbols: a red rectangle with diagonal lines for the ground wall and sound barrier, and a yellow rectangle with diagonal lines for the sports fields to be moved. The plan also includes various dimensions and labels for surrounding areas, such as 'Club V.P. -9.7' and 'Huisvesting ca. +12.05'.

Locatie voor de aan te leggen
