The main map displays a detailed view of the study area, including a river or canal system and surrounding land parcels. The area is divided into various colored zones: orange for the LIB 5 zone Schiphol, green for the Bijzonder Provinciaal Landschap, and yellow for the NNN. The map also shows various boundaries and features, including roads, buildings, and water bodies.

Technische geschiktheid Zon	
Rijkswaterstaat	1 hect.
Gemeente	0 hect.
Provincie	0 hect.
Particulier	1 hect.
Technische geschiktheid Wind 0 hect.
