Subject: Honoring

Dear Mr Looijestijn,

On behalf of the EMEurope Governance Board and the European Commission, NWO Domain TTW (formerly known as Technologiestichting STW) has granted the Dutch part of the funding application in the EM Europe Call 2016 for the research proposal mentioned above in accordance with the decision that you will find in Appendix 1 to this letter.

We would like to congratulate you on this grant.

From the side of NWO Domain TTW, your project will be supervised by Roald Vandepoel, who will act as program officer.

- **Validity of the grant decision**

The grant decision only becomes valid after a copy of the award letter (Appendix 2), signed for agreement on behalf of the institution and the project leader, is returned and has been received by NWO Domain TTW.

Once all conditions have been fulfilled, you will receive a confirmation by email.

- **Electric Mobility Europe**

The funding is part of a research project following call text of the Joint transnational Call 2016 of EM Europe. According to the call text, funding is awarded as a grant for a maximum of thirty months. NWO Domain TTW's General Conditions (Appendix 3) apply to the Dutch part of the funding.

- **Conditional funding**

NWO Domain TTW funding is granted on the condition that the EC top-up, and the contribution from the Ministry of Infrastructuur en Waterstaat for the Electric Mobility Europe Joint Transnational Call 2016 required to fund the project is allocated to and received by TTW.

- **Other points for attention**

Your research must be carried out in accordance with the Netherlands Code of Conduct for Academic Practice 2014 as drawn up by the Association of Universities (VSNU). In the event of any possible or actual violation of this Code, you must inform NWO Domain TTW immediately and submit all relevant documentation to NWO Domain TTW.

With a view to the possibility of establishing intellectual property rights to the results from the project, a brief, generalised summary of your project will possibly be published on NWO Domain TTW's website.

- **Signature on award letter / Authorisation**

By signing this award letter, the signatory who is the Main Applicant accepts the authorisation granted to him/her.

We would be pleased to receive, by return of post, the enclosed copy of this award letter duly signed for approval on behalf of the institution and also signed by the project leader. Please also enclose any other forms or documents that have been requested.

NWO Domain TTW wishes you every success with the realisation of your project.

Yours sincerely,  
The Board\* of NWO Domain TTW

Dr. ir. H.H. Nijhuis  
Director
